

Summer 2024 only: Financial assistance up to 75% off tuition to residents of Malden

HELLO MALDEN PARENTS,

Are you in need of care and classes this summer?

It is well documented that robust, ongoing classes in music, art, and coding can help kids thrive academically. If you value these three subjects as much as we do, then we have great news for you. MAP Family Learning Center, through local nonprofit Creative Malden Inc., offers financial assistance available to Malden residents who request it.

We believe that your kids will have a lot of great experiences here, build friendships and memories, and thrive in their education. Come join us!!!

To be eligible for financial assistance, your gross income must fall into the following criteria (special criteria for summer 2024 workshops only):

All applications for financial assistance must be submitted at least two week in advance of the requested class.
